HISTORICAL DISTRICT DIRIYAH

Historical Diriyah, founded in 1446 AD along Wadi Hanifa, is the birthplace of the first Saudi state and a symbol of heritage, stability, and prosperity. Home to the UNESCO-listed At-Turaif District, historic mosques, palaces, and ancient neighborhoods, Diriyah offers visitors a unique journey through time, where rich architecture, culture, and year-round activities bring Saudi Arabia's history to life as a must-visit tourist attraction.

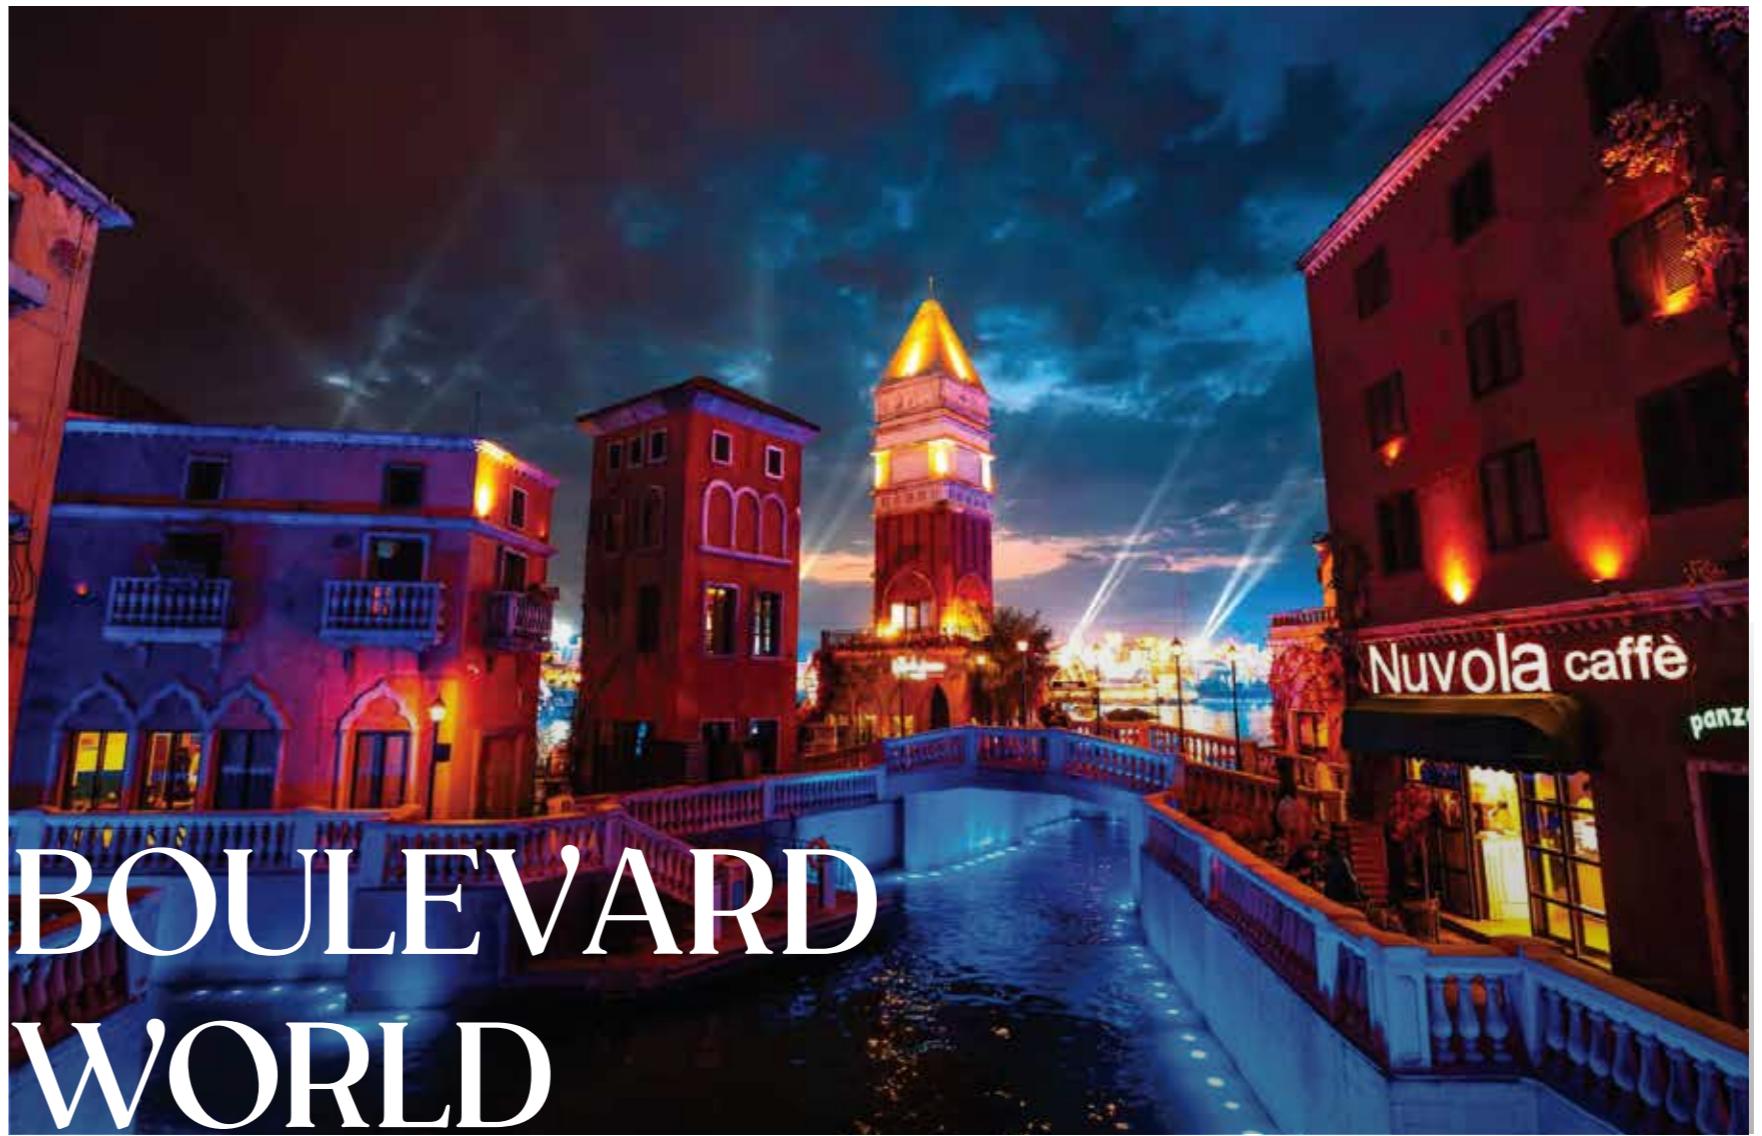

AL MASMAK PALACE

Al Masmak Palace is one of Riyadh's most iconic historical landmarks, standing as a powerful symbol of the Kingdom of Saudi Arabia's foundation. Built in the 14th Hijri century, this fortified palace-turned-museum tells the story of the recapture of Riyadh in 1902, showcasing historic artifacts, architecture, and the famous spear mark on its gate—making it a must-visit attraction for those seeking to experience Saudi Arabia's rich heritage and heroism.

KINGDOME SKY BRIDGE CENTER

The Sky Bridge at Kingdom Center offers a breathtaking panoramic view of Riyadh from 300 meters above the city, allowing visitors to admire its skyline through secure glass panels by day or night. Reached via an elevator to the 99th floor, the experience is complemented by visits to the Kingdom's highest mosque on the 77th floor and premium shopping, making it a must-see attraction for families, friends, and travelers.

Offering a wide range of international and local brands, diverse dining options, family entertainment, and Riyadh's first Reel Cinemas, it provides a complete shopping, dining, and leisure experience for families, friends, and visitors of all ages.

SOUK AL ZAL

Souk Al-Zal is one of Riyadh's oldest traditional markets, located in the historic Al-Dirah district and spanning 38,000 square meters.
